

Hello to all of our Port Residents. Well, Memorial Day had come and gone and the sun is shining at the Port. I want to thank everyone for a great weekend at the Port. The corn hole tournament was a big success (it's just a game Mike) and word is there is another in the works for the 4th of July. Thanks to Board Member Mary Hough for putting it together. The pot-luck dinner and ice cream social were well attended and enjoyed by all. Hats off to Jean and Joyce and to everyone who made and brought something to the dinner. These are the things that makes us a family here at the Port.

Please make sure you read the notices in this copy of the newsletter concerning the leaving of articles in front of the hall. A friendly reminder again about your sites grass. With all of the rain (we are now over 4.25" of rain here at the Port in the last 2 1/2 weeks) and the sun came out the grass is growing at an alarmingly fast pace. So please be mindful of this. Again we take NO pleasure if we have to cut your grass. Remember you are responsible for all of the grass both front and back AND also the trimming.

Good luck to all of the graduates and here's hoping we have a great summer and a sunny one. As always take some time to thank a Veteran and keep them in your thoughts and prayers.

Respectfully,

George Carter President PDMV

Port Residents,

If you have any items you are giving away for FREE, you may place them near the chalkboards outside of the Residents' Hall. After 48 hours or when you are leaving the Port to head home, if the items have not been taken it is your responsibility to dispose of them appropriately. Remember the dumpster is for household trash only - no bikes, lawn chairs, etc. can be placed in the dumpster.

Thank you,

PDMV Board of Directors

The next newsletter will be out on 6/30/17

If you have any items you would like in the newsletter, please email me at mick3904@gmail.com or leave the information in site box 108

Riddles

How could you rearrange the letters in the words "new door" to make one word? Note: There is only one correct answer.

What is black when you buy it, red when you use it, and gray when you throw it away?
