## FROM THE BOARD:

From the Directors:

We welcome our new residents and welcome back our Port friends.

We also have other new residents: Mother Goose is seen with 5 little ones and we have seen two ducks with their little ones.

Site selection went very well. We had a busy day with 24 moves; some trailers had to be moved twice to make room for others. I think everyone is getting settled and the sites are looking good.

Be sure to let the site improvement committee know if you plan any work around your site. There are water pipes and electric wires around your site that need to be checked out so that they are not damaged. So please, contact the committee and get the OK before you start any work.

If you have a storage lot it is your responsibility to keep it mowed. If

you have someone else cutting your grass, please make sure they cut your storage lot too.

We had our first Residents Meeting. We had a good discussion about the security of the Port. There were some good points both pro and con about the fence and gate. At this time we are going to institute the mirror tags. They will go over the mirror when you are in the Park. Each site will get two tags: they will have the PDMV Resident and your site number. Each resident will also get two visitor tags with your site number. These will be a different color than the resident tag.

We replaced 22 sheds over the winter. We will be replacing another 21 sheds this coming winter. We are putting together a list now. You will get a letter to let you know that your shed will be replaced.

Memorial Hall is going to be

painted on May 14th. When the painters are in there working we ask that you please stay out of the Hall that week.

Have a good season! May the crabs and fishing be good.

Sincerely,  
Richard Powell  
President

## Happy Anniversary !

Welcome & Thank You!

We had a great day for Site Selection Day and moving of the trailers. I know that everyone who moved was very grateful for all the help that their fellow neighbors provided. Hopefully, it won't take all summer to get settled into your new locations.

Welcome back for another great summer at the Port! We are indeed lucky to have such a place to come and retreat from the cares of our everyday lives. To all our new residents, Welcome, and we look forward to getting to know you at our dinners, ice cream socials and especially at our 40th Celebration in June.

# PORT DELMARVA'S 40TH ANNIVERSARY CELEBRATION

We have a lot to celebrate this year. This is the 40th anniversary of the Port. The Anniversary celebration will take place on Friday, June 22, and Saturday, June 23, 2012.

Friday night will be a presentation by Butch Snyder (lot 18) about the history of the Port. We will also have appetizers: see Rae McDonald-lot 38, Phyllis Eidle-lot 28 and Cori Campbell-lot 17 to let them know what appetizer you would like to bring to share.

Saturday begins with a Continental breakfast. After that, there are all kinds of activities:

Games for all ages led by Tyne Hake (lot 135) and Nancy Kirk (lot 25)

Pet Parade led by Cindy Ali (lot 68)

Bike Parade organized by Bonnie Grove (lot 16)

Boat Parade see Betsy Hickman or Kay

Madigan (lot 7)

Lot Beautification Contest headed by Bonnie Hurd (lot 37) and Cheryl Bates (lot 54)

Open House (would you like to show off your summer home?) see Diane Carter (lot 77) or Nancy Kirk (lot 25)

The decorating theme this year is "Camping thru the Years" so if you have any pictures of your camping beginnings please talk to Cindy Ali (lot 68). It will be real interesting to see where and how our neighbors camped in the past.

Somewhere in the midst of all this activity will be Lunch! Don't miss that.

A group picture will be taken sometime during the day as well.

Saturday night we will have "s'mores" (Dominic Ali lot 68) to cap

off the day.

Joyce Powell (lot 26) and Jean Derickson (lot 42) will be collecting items to give out as door prizes. If you are interested in participating, please only one per lot with a \$10 minimum value. Please make sure you get them to Jean or Joyce by the weekend of June 16. These will be given away during the celebration.

So, get your reservation in and let the planning committee know who will be attending and how many from your family will be there. It is going to be a lot of fun.

Hope to see you there!
